Greetings SDBIF supporters, survivors and community partners:

2020 is off to a great start at the San Diego Brain Injury Foundation. Our community of support remains strong and we appreciate everyone who partners with us in our efforts to support brain injury survivors and their family members.

At this time of year, we are focused on our 13th annual surviveHEADSTRONG event. This is our largest event and the most significant gathering of the brain injury community throughout the year in San Diego. If you haven’t already registered for this great event, please do so as soon as you can. See page 5 of this newsletter for additional details or visit our website at www.sdbif.org/walk. This year’s event will be exceptional and we are looking forward to seeing everyone there. From wonderful sponsors and exhibitors to food and activities, a fun time will be had by all. March 21st is the date to put on your calendar!

We also want to remind everyone that our 20th annual Friendraiser event is scheduled for Saturday, September 26, 2020. Additional details will be forthcoming. If you would like to be involved with this event as a sponsor, please connect with us for additional details.

Lastly, if you haven’t been able to attend one of our groups yet this year, we invite you to do so. We have some great speakers lined up. See page 4 of this newsletter for additional details.

Sincerely,

Kurt Buske, MSW
The San Diego Brain Injury Foundation (SDBIF) is pleased to offer scholarship opportunities for brain injury survivors who are residents of San Diego County. We have two $500 scholarships available that will be awarded in May of this year. These scholarships are intended to honor and encourage brain injury survivors to continue their education. This opportunity is open to graduating San Diego high school seniors and adults with acquired brain injuries and is to be used to further their education and/or training at a college or technical school. To apply for this Scholarship, simply complete and submit our application materials by April 30, 2020.

Materials are available on our website at https://sdbif.org/resources/sdbif-scholarship-application/or you can call our office at (619) 294-6541 or inquire via email at info@sdbif.org.

SDBIF RECEIVES DONATION FROM AYLUS

On January 3rd, representatives from AYLUS (Alliance of Youth Leaders In the United States) stopped by our office to present a donation of $1,000. AYLUS have been friends of the San Diego Brain Injury Foundation for several years now and we are so appreciative of their support. Funds donated to SDBIF came from member work on environmental cleanup initiatives such as bottle recycling over the course of the last year. We are continually inspired by this group’s demonstration of leadership and community involvement. Thank you AYLUS!

San Diego Theatre Connection Supports SDBIF

On February 4th, the Escondido Rotary invited SDBIF’s Executive Director to their monthly meeting to receive a donation of $2,000 to support programming at Howard House, our residential care facility based in Escondido. The Escondido Rotary contributed $1,000 and Bill Smith, a long time SDBIF partner, matched this with another $1,000! Bill Smith was an early member of SDBIF’s Board of Directors and was instrumental in establishing Howard House over 30 years ago. Several Escondido Rotary members even helped remodel Howard House to create what has become a model for residential care for brain injury survivors. Thank you Escondido Rotary and Bill Smith!

The San Diego Theatre Connection partnered with SDBIF as the featured non-profit for 2 community theater productions that ran in February, 2020 – NUTS at Poway Community Theatre and Lend Me a Tenor at Oceanside’s Star Theatre. You may have even seen our Executive Director on NBC 7 news live with Star Theatre’s Managing Artistic Director where they discussed the partnership. This partnership helped bring increased awareness to brain injury and the work of SDBIF, as well as provided the opportunity for attendees to support our efforts. These were great productions and we are now hooked on community theater. Thank you San Diego Theatre Connection, Poway Community Theatre and Star Theatre!

COUPLES GROUP FOR BRAIN INJURY SURVIVORS, Connect with Others in a Social Setting

As one member described the group: “Even with brand new survivors and spouses, there is virtually instantaneous depth-of-connection in our communication with each other, because, no matter what, the exact injury—or when—we’ve all walked the same roads and tripped over similar surprises. It is simply SO healing and helpful to know that we are NOT unique or alone, and that there are others walking the same paths in recovery.”

Meeting dates and locations vary. For more information, please email Susan Hansen at sdhansens@sbcglobal.net or call SDBIF’s offices at (619) 294-6541.

BILINGUAL (ENGLISH/SPANISH) SOUTH BAY SUPPORT GROUP

Individual with a brain injury, family and friends meet at the Scripps Well Being Center, 237 Church Avenue, Chula Vista, CA 91910. The Spanish speaking group meets on the second Monday of the month; English on the fourth Monday.

Our 20th annual surviveHEADSTRONG event will be held on Saturday, March 21st, from 8:00 am to 1:00 pm at Mission Bay Park – De Anza Cove. With expected attendance of over 700 people, this is the largest gathering of the San Diego brain injury community at any event throughout the year. Survivors, family, friends, caregivers, professionals and other groups all join together during Brain Injury Awareness Month to honor the strength, effort and courage it takes to overcome the challenges of brain injury as well as to inspire those who are on their journey towards recovery. This event includes exhibitors, music, food and a fun group warm up activity!

We encourage you to attend this exceptional and inspiring event. Register to attend, walk, roll, watch, support, donate – get involved however you wish, knowing that your participation will contribute to supporting individuals and families coping with brain injury right here in San Diego. It is not too late to register, but please do so as soon as possible as this event is right around the corner!

The registration fee for adults is $25 or $15 for adults with a brain injury. You can register as an individual, register with a team or create a team. To register for the event, sponsor the event and/or be an exhibitor at the event, go to www.sdbif.org/walk. You can even design your own fundraising page and send it out to all of your friends, family and supporters. You can also register by calling our office at (619) 294-6541.

Together, we can make this year’s surviveHEADSTRONG event the largest show of support for the brain injury community yet. Get involved now by visiting our website and registering, joining a team or creating a team today!

Personal Injury
If you or a loved one has suffered a traumatic brain injury, you may have legal remedies available to you. These can include money for medical expenses, long-term medical care and rehabilitation, lost wages, pain, suffering and emotional distress. Brain injuries are often difficult to prove, and require the experience and expertise of a qualified brain injury attorney.

Social Security Disability
The Social Security Administration (SSA) is governed by complicated rules and regulations. To understand these rules and regulations, you need to speak the language of the SSA. In California and across the country, the SSA denies more than half (about 65%) of all initial applications for disability benefits. We understand how important it is to present a claim correctly from the outset, and your chances of obtaining benefits improve with the help of an experienced disability attorney.

To receive a free case review from an experienced attorney, please call:

Volunteerism at SDBIF

The San Diego Brain Injury Foundation depends upon the generosity of volunteers for many functions within our organization. We work with various community groups and individuals to accomplish tasks that are vital to the support we provide to the brain injury community. Volunteers can work with us in a variety of areas and our volunteers are incredibly diverse with a variety of abilities and skillsets. Our volunteers literally enable us to continue to function and deliver a high quality of programs and experiences to those we serve in our community. Volunteering is a great way to connect with our community and those we serve. It is a great way to “give back” and to get involved with our organization in a meaningful way.

We are always looking to connect with volunteers interested serving in the following areas:

- Helping out with our newsletter and direct mailings. This activity involves organizing newsletters and letters for bulk mailings. We do this approximately 5 times per year and call these gatherings our Mailing Parties. We promise, it is more fun than it sounds (see pic above)!
- Helping out with a variety of functions at our two large annual community fundraising events – surviveHEADSTRONG in March and our Friendraiser in September. We need approximately 30 volunteers for each of these events and it is a fun way to connect with SDBIF and the community we serve.
- Helping out with set up and registration at our monthly Saturday speaker meetings. Our meetings are well attended and always have great speakers. These meetings are an important service that SDBIF provides to our community and a great way to get involved in our direct services.
- Serving on our Board of Directors. Board participation is a great way to provide leadership and strategic oversight to SDBIF. We are always looking to connect with individuals interested in serving in this capacity.

If you are interested in any of these volunteer opportunities, simply email Kurt Buske at kurt@sdbif.org and let us know the area you are interested in. We look forward to connecting with you!
